2 

TWO

The kanji  and the radical  are the exact same things. Therefore, you know the kanji for two already!

九

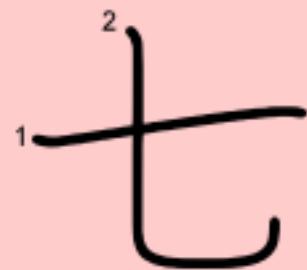

Nine

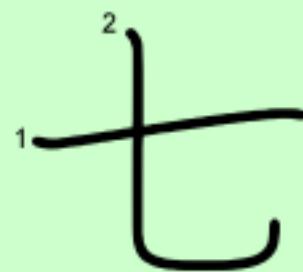

Nice! This kanji is the same as the radical that looks just like it (down to the meaning, even!). The radical is nine and the kanji is nine, making the meaning of this kanji really easy to remember as long as you know the radical first.

Kanji 4 / 2074

Level 1 / 60

Kanji 4 / 18

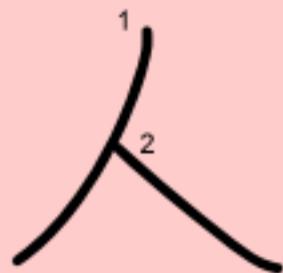

Seven

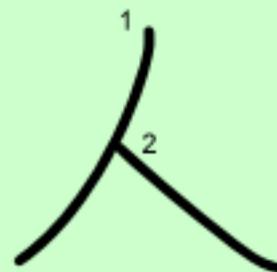

Lucky for you (as is the case with many of the lower-stroke kanji), this kanji is the same as the radical you've already learned. The radical that makes up this kanji is seven and the kanji (which is exactly the same) is also seven. So, if you know the radical, you know the meaning of the kanji as well.

Kanji 5 / 2074

Level 1 / 60

Kanji 5 / 18

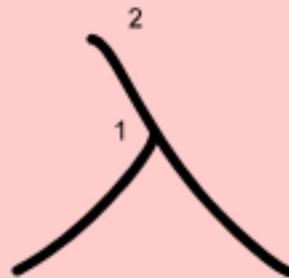

Person

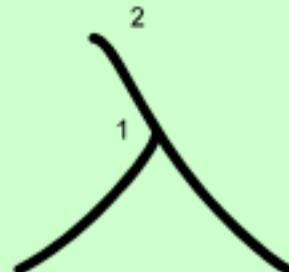

Remember how the radical version of this kanji meant person because it's a person walking from the side with their arms down? Well this is a person too!

Kanji 6 / 2074

Kanji 6 / 18

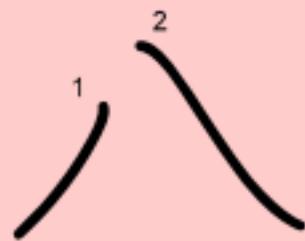

Enter

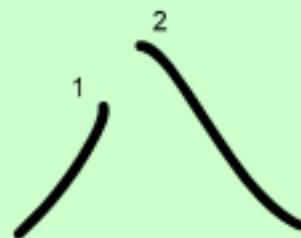

The kanji and the radical are the same, so remembering the meaning of this kanji is as simple as making sure you know the radical for enter first! If you know the radical, you know this kanji means enter as well.

Kanji 7 / 2074

Level 1 / 60

Kanji 7 / 18

Eight

This isn't exactly the same as the fins radical, but it's close. Sometimes this will happen (where we have to use a slightly modified radical version of the original), so it's good to understand that now, early on. In this case, we have fins. How many fins? Eight fins. How do you know that? Because you caught four fish with two fins each.

Kanji 8 / 2074

Kanji 31 / 2074

Level 2 / 60

Kanji 4 / 36

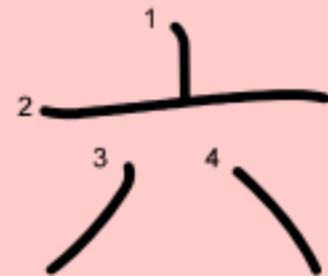

Five

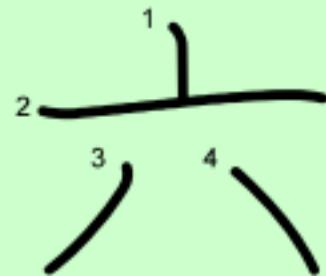

The **five** radical and the **five** kanji are the same.

Kanji 32 / 2074

Level 2 / 60

Kanji 5 / 36

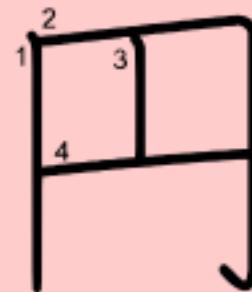

Six

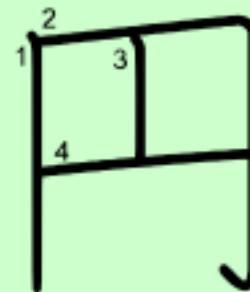

Just imagine a beast with a lid for a head and fins for feet, running around looking as insane as possible (really imagine it!). When it runs up to you, it shows you the top of its lid-head. On it is written the numbers 666. Why? Because it's a spawn of the devil, and the number six is the devil's number.

Kanji 33 / 2074

Level 2 / 60

Kanji 6 / 36

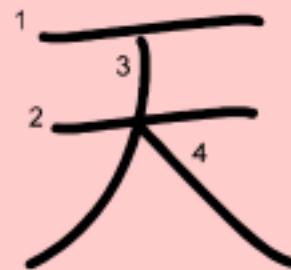

Yen, Round, Circle

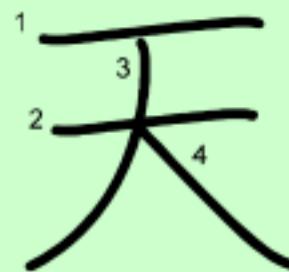

The combination of radicals for this kanji may not be obvious at first, but if you look carefully you'll see it. The lid is inside the head for this kanji because it's holding something in. Imagine the top of someone's head being closed by a lid. Open that lid up and peer inside... it's full of yen coins, the currency of Japan!

Kanji 34 / 2074

Exit

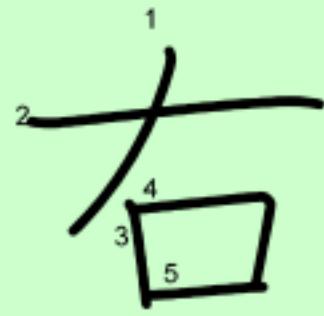

There are two mountains in front of you... and probably a bunch more around you too. You are in a pass, and don't know how to get out. You are frantically looking for the exit before you freeze to death. The most important thing is to find the exit from this mountain range - your life depends on it.

Kanji 45 / 2074

Level 2 / 60

Kanji 18 / 36

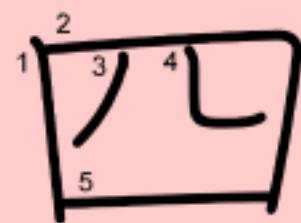

Right

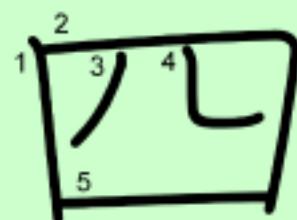

Narwhal mouth s are on the right side of their head. In fact, some people didn't think they had mouths at all because they weren't looking from the right. Rookie mistake.

Kanji 46 / 2074

Level 2 / 60

Kanji 19 / 36

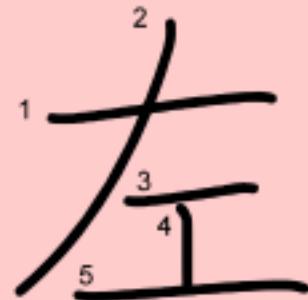

Four

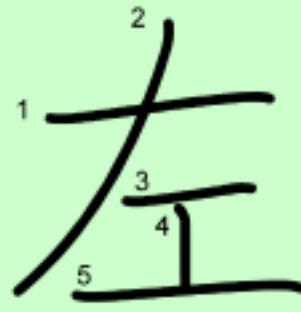

Imagine contorting yourself in such a way that your legs end up inside your mouth. You have bent your body in all the wrong ways in order to achieve this. In fact, if you look at yourself, you look like a square now... You're just a person with four sides.

Kanji 47 / 2074

Level 2 / 60

Kanji 20 / 36

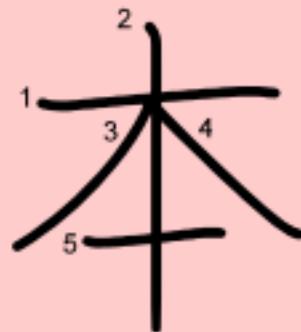

Left

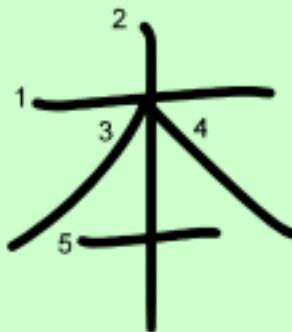

Narwhals do construction with their left hands (or flippers, I guess). That's because all narwhals are left-handed!

Kanji 48 / 2074

Level 2 / 60

Kanji 21 / 36

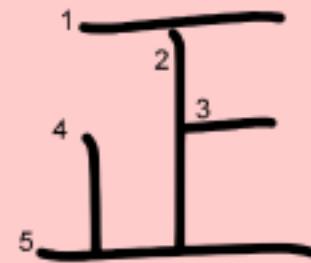

Book, Origin, Real, Main

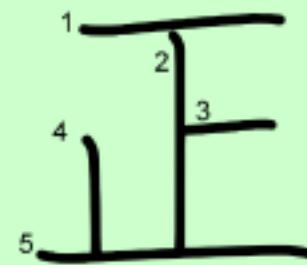

The kanji and the radical are the same, so remembering the meaning of this kanji is as simple as making sure you know the radical for book first! If you know the radical, you know this kanji means book as well. Take note that the second, third, and fourth meanings of this kanji are origin, real, and main. You can figure this out by thinking about how books mainly have their origins in real life.

Kanji 49 / 2074

Kanji 5 / 31

Part, Minute, Separate, Understand

The fins that fell onto my sword were sliced into two parts.

七刀

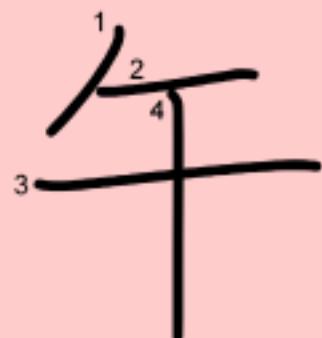

Cut

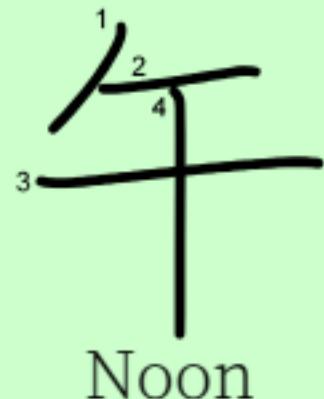

If you have seven swords, there's only so much you can do with them. The main thing? Probably using them to cut something.

Kanji 64 / 2074

Level 3 / 60

Kanji 7 / 31

Noon

The slide is dry at noon. The sun is brightest at noon, so it dries the morning dew off the slide, making noon the perfect time to slide.

Kanji 65 / 2074

Level 3 / 60

Kanji 8 / 31

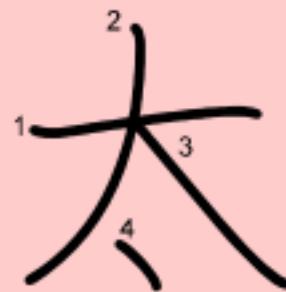

Friend

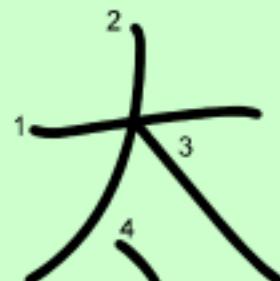

A narwhal sitting on a stool is your friend.

Kanji 66 / 2074

Level 3 / 60

Kanji 9 / 31

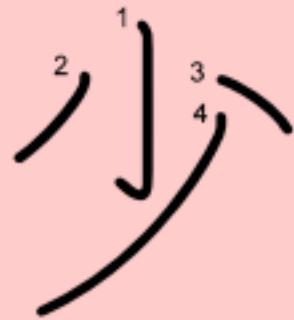

Fat

You have a **big** guy here, with an extra **drop** of something below his thigh, hanging down.

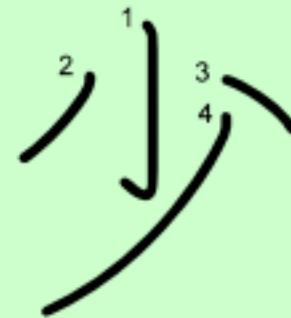

That's **fat** right there. He's so fat he has things of fat hanging off his fat.

Kanji 67 / 2074

Level 3 / 60

Kanji 10 / 31

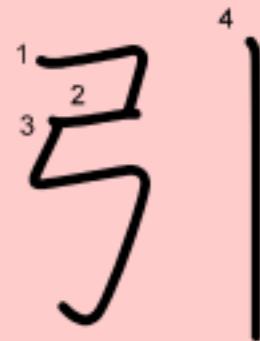

Few, A Little

You have a small slide. The thing about small slides is that they can only fit a few people at a time.

Kanji 68 / 2074

Level 3 / 60

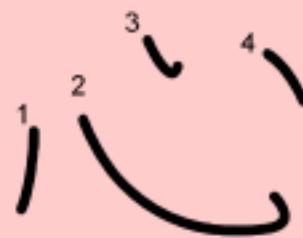

Kanji 11 / 31

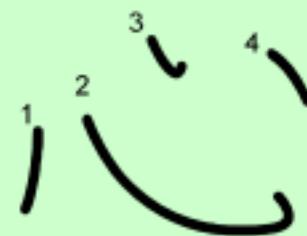

If you have a bow and a stick you need to pull the two back together to shoot it. If you can't pull it, you won't be shooting anything.

Kanji 77 / 2074

Level 3 / 60

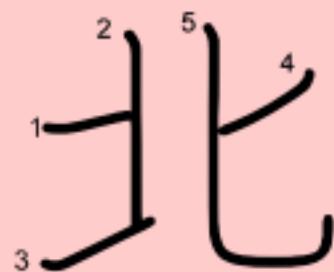

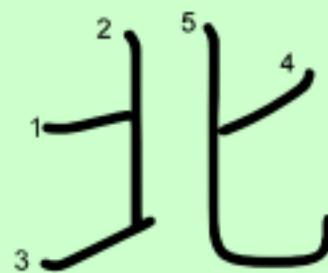

Kanji 1 / 31

Winter

We have the **winter** radical and the **two** radical (though it's sort of slanted). What's two times the winter radical, if radicals are just a part of a kanji? Two times would be enough to create the entire kanji, which is also **winter**.

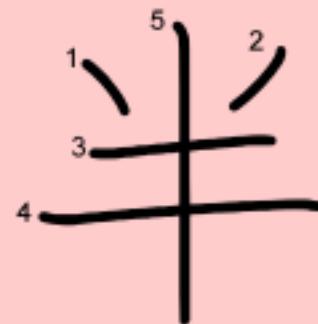

North

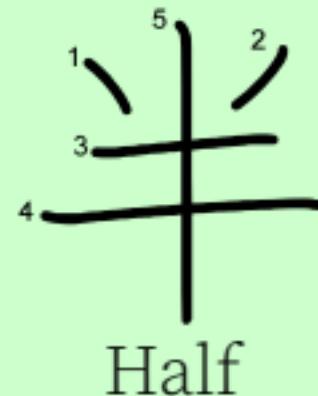

Balance a spoon on your pointed fingers and it will always point north. The spoon is like a compass needle and your fingers guide the knowledge your body already has and uses it to point north. That's science, friends! Notice how the fingers radical is a little different here? That's because you're pointing them really hard.

Kanji 79 / 2074

Level 3 / 60

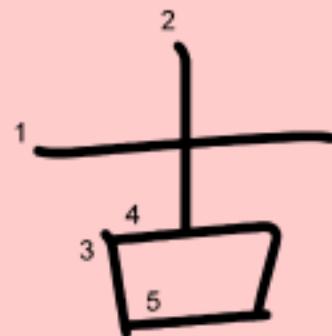

Kanji 3 / 31

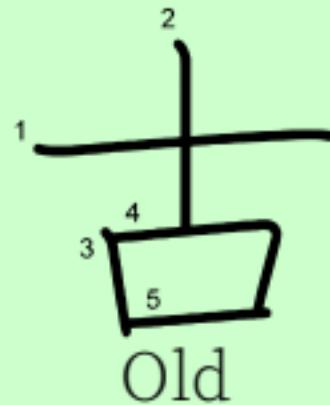

A triceratops is laying out to dry. But it's so big, and it's laying on its side, so only half of it gets dry.

Kanji 80 / 2074

Level 3 / 60

Kanji 4 / 31

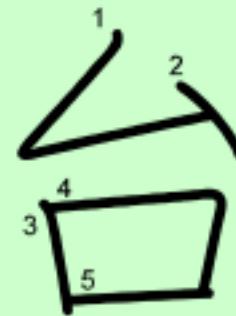

The kanji and the radical are the same, so remembering the meaning of this kanji is as simple as making sure you know the radical for old first! If you know the radical, you know this kanji means old as well. Note: This old does not refer to people. Think of it as old things instead.

Kanji 81 / 2074

Level 3 / 60

Kanji 5 / 31

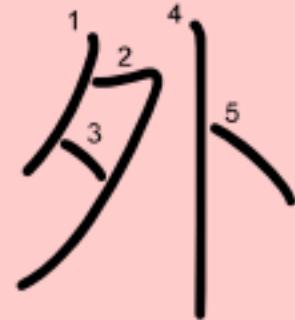

Machine

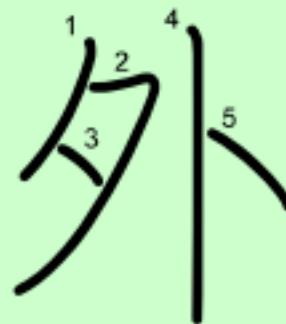

You have a private mouth that's a machine. But you have to keep your machine mouth private because it would scare all the non-machine people around you.

Kanji 82 / 2074

Level 3 / 60

Kanji 6 / 31

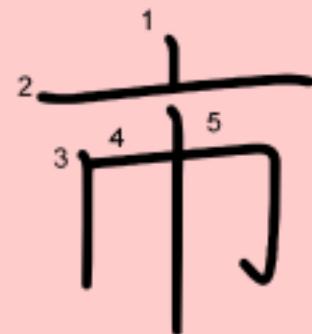

Outside

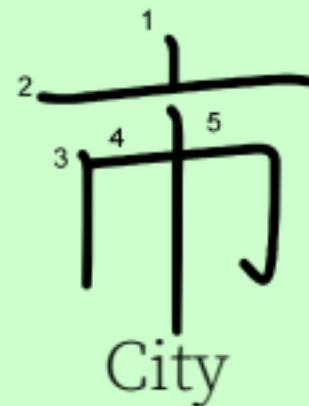

You're known to get the ailment evening toe, which is when your toe catches on fire after getting really, really hot (imagine this happening, ouch!). The only way to fix it is to cool your toe down, and the best way to do that is to go outside.

Kanji 83 / 2074

Level 3 / 60

Kanji 88 / 2074

Level 4 / 60

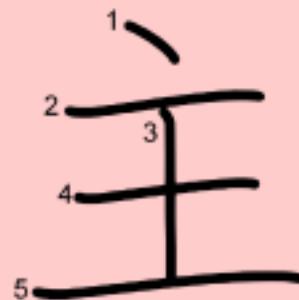

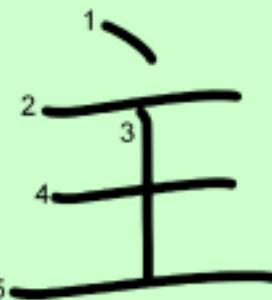

Kanji 1 / 39

World, Generation

The world radical and the world kanji are the same, but there is another really important meaning you need to know: generation. Think of it this way: the world is just made up of many different generations of people, plants, and animals all getting along together.

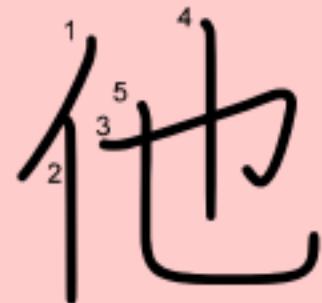

Master, Main

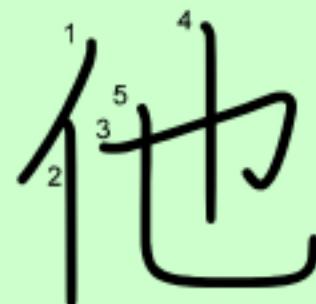

The radical master and the kanji master have the same meanings! This kanji also means main because the master is the main person of a dojo or household or business.

Kanji 90 / 2074

Level 4 / 60

Kanji 3 / 39

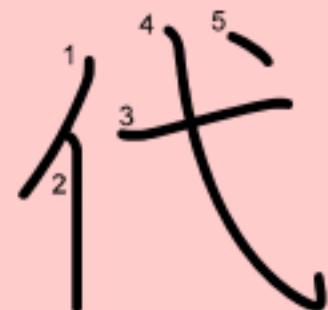

Other

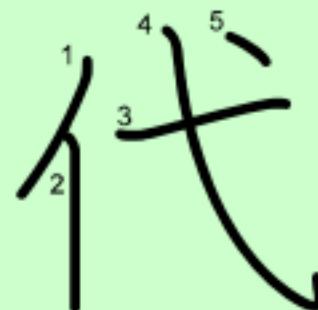

The leader of alligators ... he's no ordinary leader, that's for sure. He's not a politician.. he's not a king... He's one of the Other Ones, a group of strange, eccentric people who become leaders of animals.

Kanji 91 / 2074

Level 4 / 60

Kanji 4 / 39

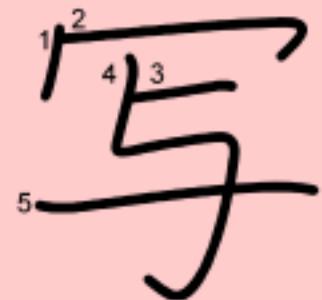

Substitute, Replace, Period, Age

The leader for the ceremony can't come so you need a substitute to replace them ASAP!

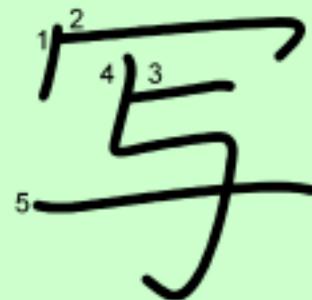

This kanji has another meaning too. The leader can't come to the ceremony because they forgot what period of time it was. If they think they're in the wrong age, they won't come because they're trying to lead some monkeys in the ceremony instead.

Kanji 92 / 2074

Level 4 / 60

Copy

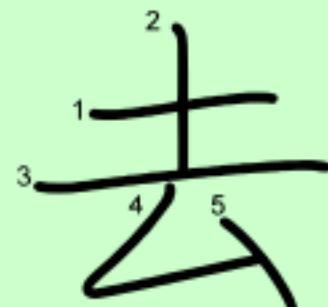

The beggar is pointing his forehead up at you, his feet trapped in the ground. What diabolical scheme are you planning with this poor beggar you trapped? Turns out, you're planning to copy him to have your own version of him.

Kanji 93 / 2074

Level 4 / 60

Kanji 6 / 39

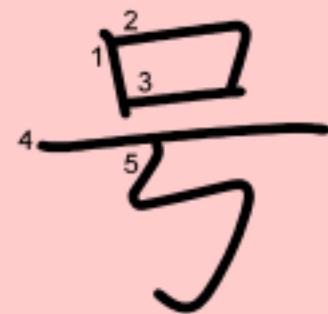

Past

If someone tries to dig up private dirt on you, tell them no thanks, that stuff is in the past.

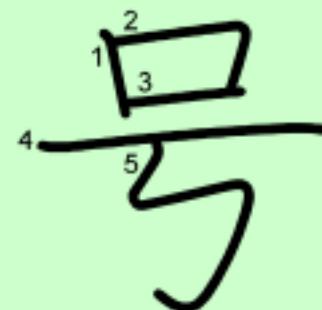

Some things should stay in the past. Not everyone needs to know everything about your life and your past.

Kanji 94 / 2074

Level 4 / 60

Kanji 7 / 39

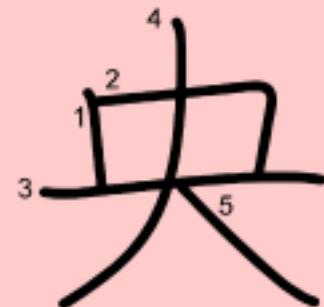

Number

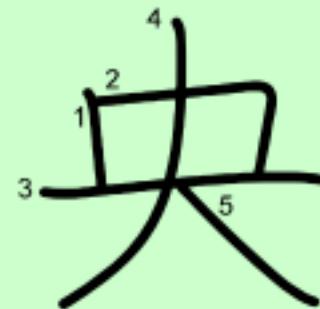

There's a mouth in the ground (in our case, it's a hatch), and inside is some kind of prison you can't quite get to. If you've ever seen Lost, this will sound familiar... on the hatch, there's actually a series of number s that you don't understand.

Kanji 95 / 2074

Level 4 / 60

Kanji 8 / 39

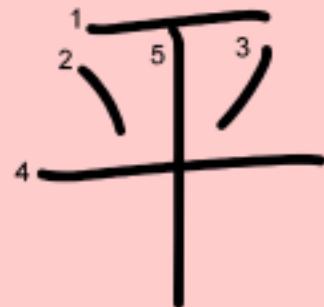

Center, Centre

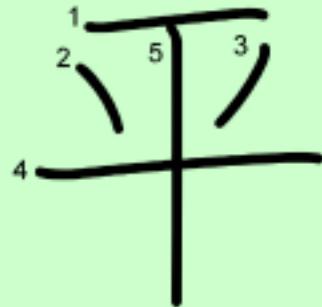

If someone has a big head you have to try to focus on the center of it when you talk to them.

Kanji 96 / 2074

Level 4 / 60

Kanji 9 / 39

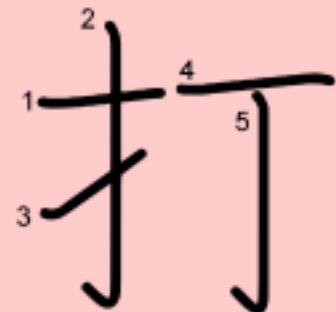

Flat, Peace

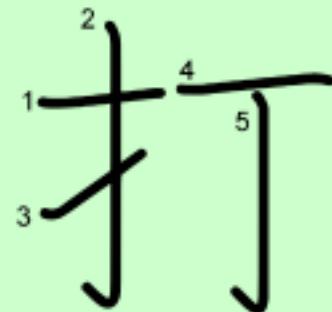

If you want to dry your horns you need to lay them flat. If they aren't flat they'll always be a little damp somewhere and you'll never have a moment's peace.

Kanji 97 / 2074

Level 4 / 60

Kanji 10 / 39

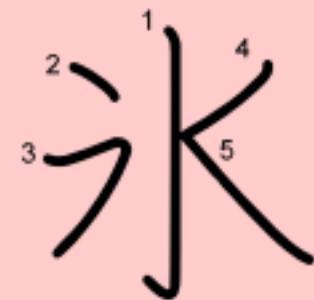

Hit

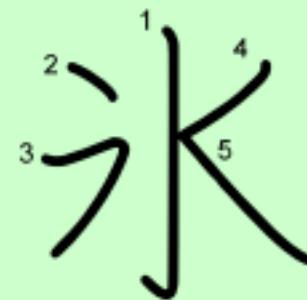

Take your fingers to the street to hit some people! Street fingers are for curling into a fist.
And that street fist wants to do some hitting!

Kanji 98 / 2074

Level 4 / 60

Kanji 11 / 39

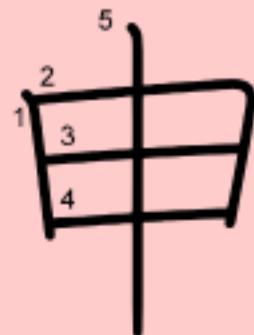

Ice

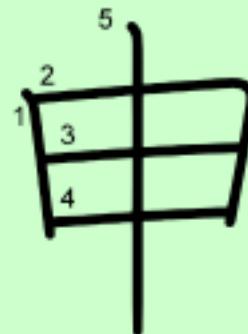

You have water already... and it's pretty cold. All it takes is one cold drop of liquid nitrogen added to it to turn it into one big block of ice, just like that.

Kanji 99 / 2074

Level 4 / 60

Kanji 12 / 39

Say Humbly, Say, Humbly Say

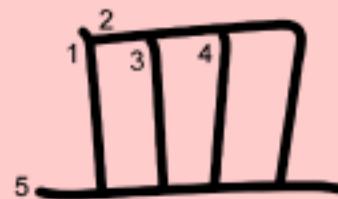

There's a cross in your mouth, so the things you say are very pious. Everything you say you say humbly .

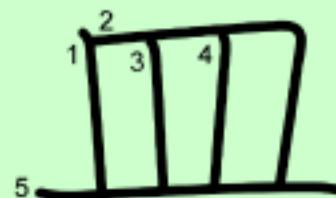

Skin

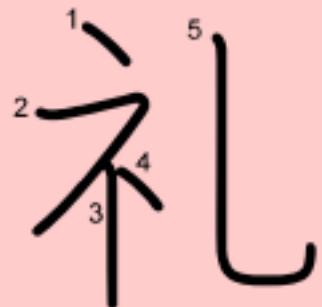

Slide down a branch and your skin will come off. Unlike what Tarzan will make you believe, you can't just slide around on branches, they're rough and painful and if you do it your skin will come sliding off and it will hurt.

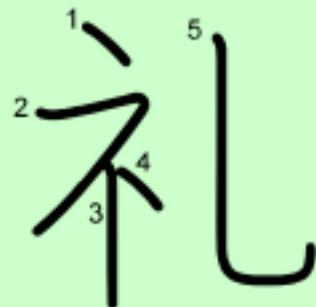

Plate, Dish

The **plate** kanji and the **plate** are exactly the same, like two matching pieces of china.

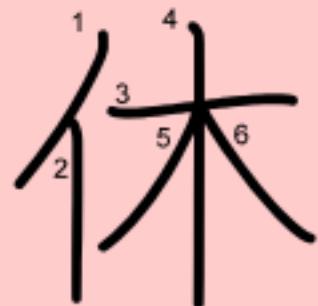

Thanks

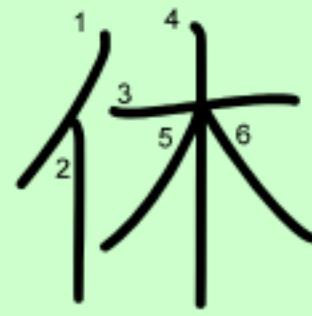

Always remember to give umbrella s to the spirit s to show your thanks . The next time you're walking by a shrine and you see a statue dedicated to a spirit, leave your umbrella open to protect it. This is the best way you can show your thanks for life, food, shelter, and all that good, good stuff.

Kanji 103 / 2074

Level 4 / 60

The leader is next to the tree. What is he doing? He's leaning against it, resting.

Kanji 104 / 2074

Level 4 / 60

Kanji 4 / 39

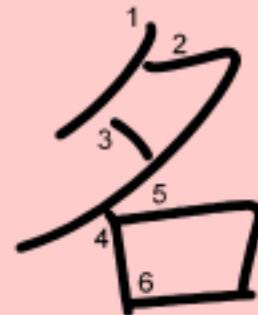

Previous, Ahead, Past, Former

Slide some dirt on your legs so you can feel like you're from a previous time. Everything from the past is in the dirt. Dead people, dinosaur bones, your mom's secrets in a box from her past life. All these things come back to you as you slide the dirt all over your legs.

Kanji 105 / 2074

Level 4 / 60

Kanji 5 / 39

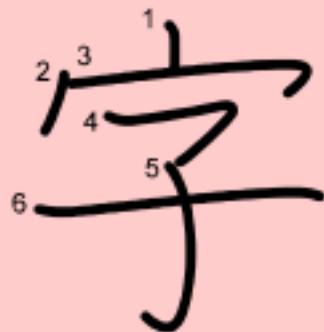

Name, Famous

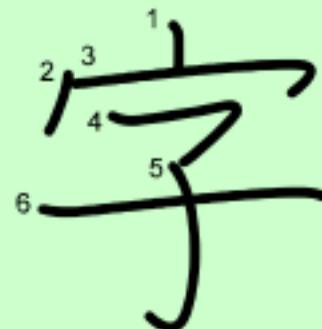

What is the **evening** **mouth**? Imagine a mouth that's up in the night sky. It's just there, talking, and only comes out at night. It only appears in one area of the world (what area would you choose? Imagine yourself going to that place to see the "night mouth."), and appears only one month out of the year (more on this in a second). The "evening mouth" is the most famous thing in the _____ area (this is the area you choose). He's so **famous** that everybody knows his **name** ("Evening Mouth.").

The roof child stands upon the roof, holding up a single letter, a single character, a single symbol for the world to see.

Kanji 107 / 2074

Level 4 / 60

Kanji 7 / 39

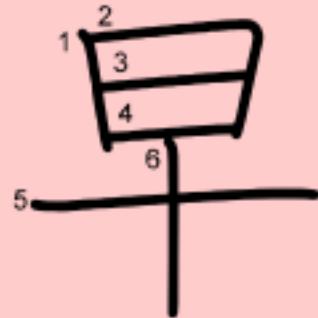

Year

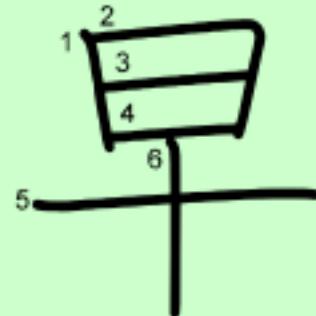

The cow part of this kanji is slightly altered, but I think you can see where it is. The gun looks just fine, though. Think back to a fake memory you have living on the farm. You have your gun, and you gotta use it on a cow (ruh roh). Once a year on New Year's, you have to go out and shoot one of the cows. It's only a yearly shooting, though, so at least there's that respite.

Kanji 108 / 2074

Level 4 / 60

Kanji 8 / 39

Early, Fast, Quick

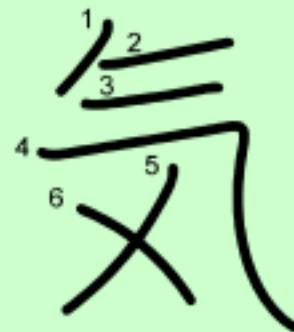

When the sun is over the cross it's time to go to church... which is so darn early. And if you want to get to church early, you need to be fast, otherwise you'll be too late.

Kanji 109 / 2074

Level 4 / 60

Kanji 9 / 39

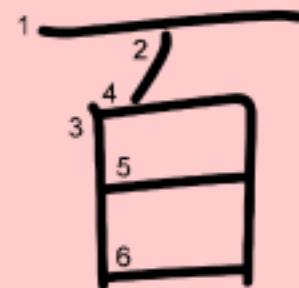

Energy, Spirit

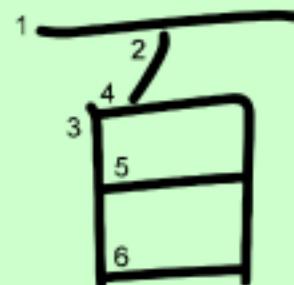

You're looking for a treasure, but no normal treasure... a treasure that's a stash of energy. Not gold, money, or anything like that. Imagine yourself finding it, and opening up a treasure chest. Out bursts a spirit ball of energy like you've never seen.

Kanji 110 / 2074

Level 4 / 60

Kanji 10 / 39

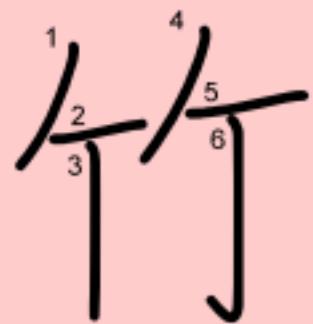

Hundred

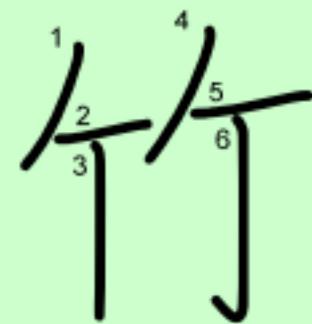

There is a leaf growing out of the sun! You fly out into space to check it out and when you get closer you see that it isn't just one leaf, it's a hundred! That makes sense, you wouldn't be able to see just one leaf on the sun from where you were on earth.

Kanji 1389 / 2074

Level 42 / 60

Kanji 25 / 34

Example

This bamboo can be whittled into an example of anything. See, here's a car. Here's a snake. I can make so many examples just with bamboo.

Kanji 1390 / 2074

Level 42 / 60

Kanji 26 / 34

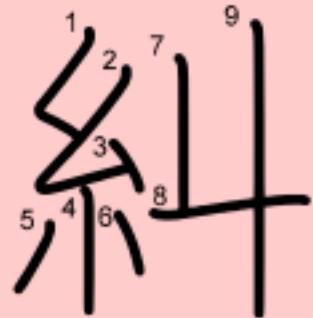

Distract

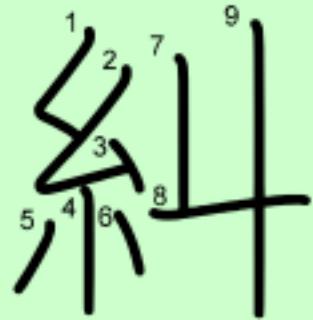

Take this **thread** and look at this **part**. Now look at this part! Now look at this part. You don't know where to look! Haha, I have **distract** ed you!

Kanji 1391 / 2074

Level 42 / 60

Kanji 27 / 34

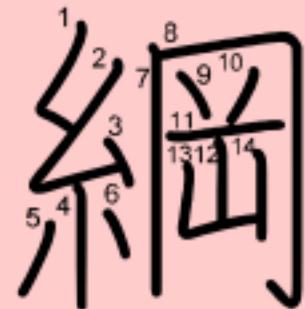

Twist

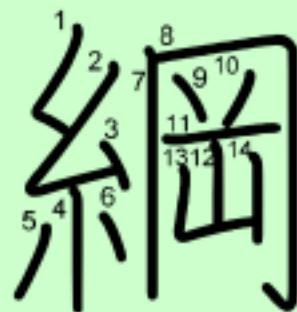

Thread and vines alone are too weak to hold anything up. You need to twist them together to make them strong.

Kanji 1392 / 2074

Level 42 / 60

Kanji 28 / 34

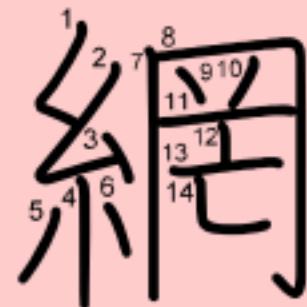

Cable

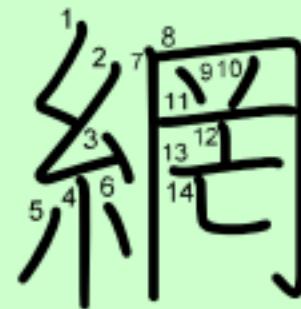

If you take a **thread** and wrap up a bunch of it, so much it becomes a **hill** of thread, you're going to have a lot of thread. You can wrap some of that thread around other thread to create a much thicker thread. This thread is a **cable**.

Kanji 1393 / 2074

Level 42 / 60

Kanji 29 / 34

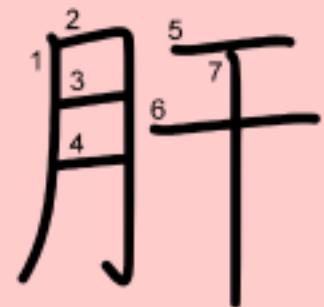

Netting

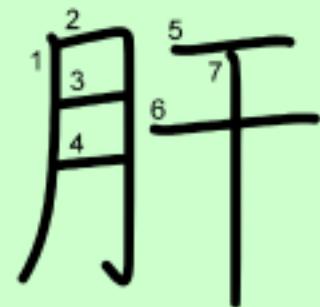

You have a thread hill, but the hill is a bit weird looking (take a look at the hill radical in this kanji). It's not any normal hill, it's a weird lumpy hill that isn't quite right. That's because it is a thread hill of netting, and parts of the nets have caught things, like fish and cats, so there's weird abnormal lumps in them.

Kanji 1394 / 2074

Level 42 / 60

Kanji 30 / 34

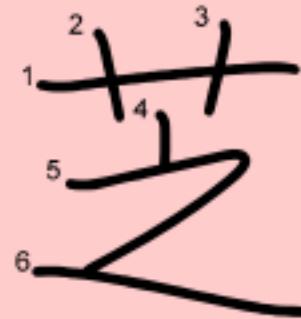

Liver

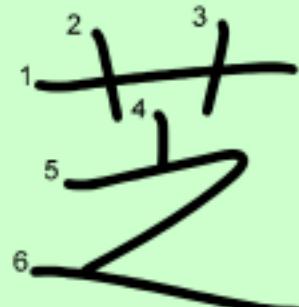

If the moon is dry, it's good for your liver! Haha, get it? Because there's no moonshine to ruin your liver. Don't drink, kids.

Kanji 1395 / 2074

Level 42 / 60

Kanji 31 / 34

Lawn

There are flowers and hills in your front lawn. Your lawn is pretty big and it is covered with both flowers and hills. It's very pretty.

Kanji 1396 / 2074

Level 42 / 60

Kanji 32 / 34

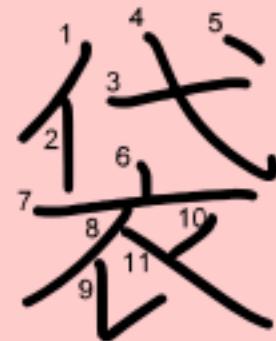

Wild

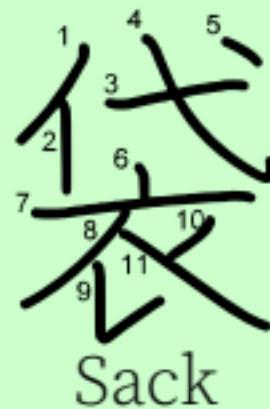

Flowers find their death in a river out in the wild. Flowers live on water, but this river drowns the flowers to death. The wild is a dangerous place.

Kanji 7 / 34

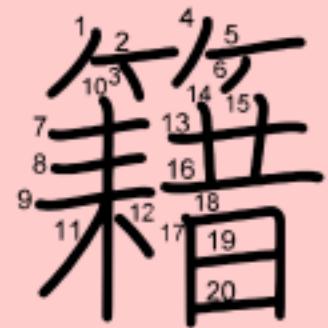

Distance

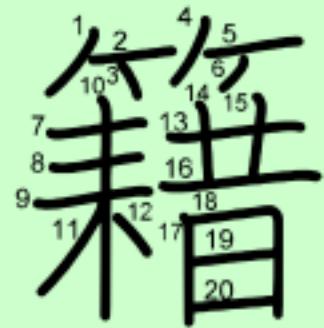

A **foot** on a **giant** is a pretty long **distance** for a normal person to walk. Giants have big feet and can travel large **distance**s very quickly.

Kanji 1405 / 2074

Level 43 / 60

Kanji 8 / 34

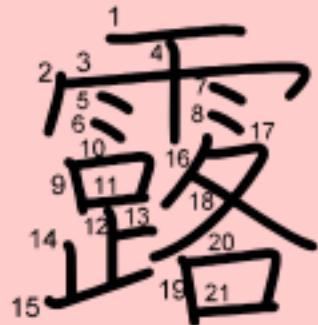

Enroll

People had to ride their bamboo plow's long ago to enroll in things. There were no cars yet, so they would hitch a cow to their bamboo plow, and dig their way to the government office or school to enroll.

Kanji 1406 / 2074

Level 43 / 60

Kanji 9 / 34

Expose, Dew

If the rain touches your foot and gives it a little rain kiss, you know that part of your foot is exposed to the elements. You can also see some dew forming on your exposed foot. So that's what rain kisses are!

A small tsunami comes in the morning with the moon. That just means the ocean gets bigger when the moon's out, and that my friends is simply the tide.

Kanji 1411 / 2074

Level 43 / 60

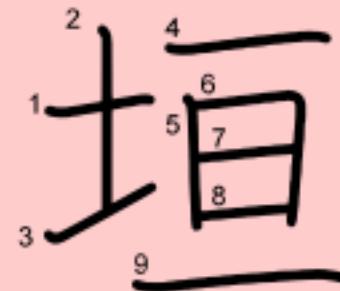

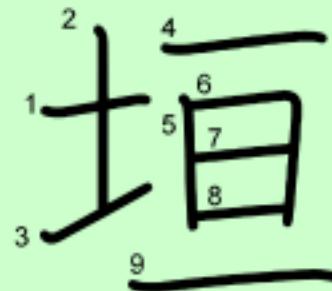

Kanji 14 / 34

Instant

The root of a stamp is to get an instant picture down. Back in the olden days, people had to make seals and draw out things by hand, so stamps came about so you can—BAM—just stamp it and have what you want in an instant.

Hedge, Fence

Look at the dirt on the ground at dawn and you'll be able to see all the hedge's growing in the area really well. At any other time of day, hedges tend to blend into their surroundings. But at dawn, the shadows the sun makes really helps them stand out. This hedge also works as a fence. It borders an area and you can't walk through it. A natural fence!

Kanji 1413 / 2074

Level 43 / 60

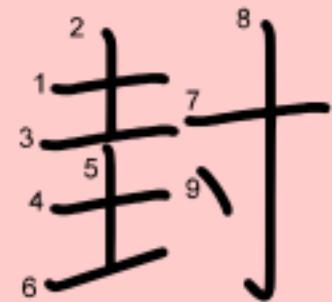

Kanji 16 / 34

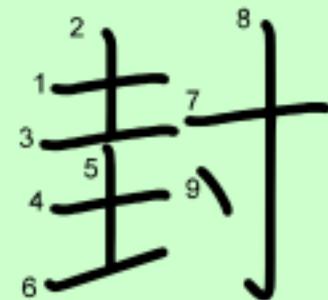

A drunkard goes down a slide, hits the ground and bumps into a woman. Who is that woman? It's none other than her majesty.

Kanji 1414 / 2074

Level 43 / 60

Kanji 17 / 34

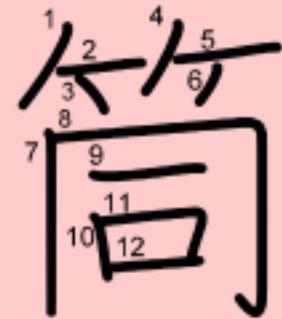

Seal, Seal In, Closing

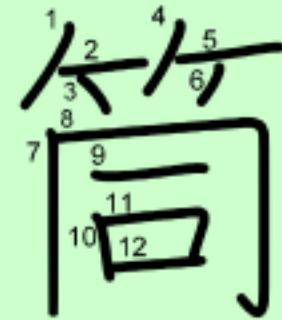

You need to make a measurement of an area so you take two clumps of dirt to seal in each side of your measuring tape, so it stays on the ground. This is the way people used to seal things back in the day, back when we didn't have fancy things like tape and glue.

Level 52 / 60

Kanji 1 / 35

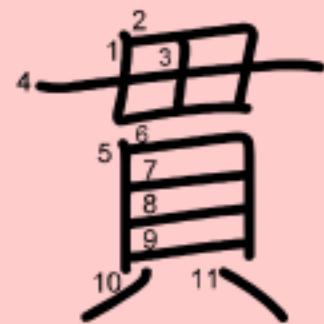

Cave In

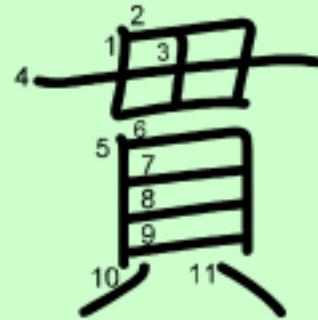

This building was a former prison until the cave in. You see, prisons aren't built very carefully, they just try to get them done fast enough to stuff people in there. So while you can tell this was once a building, it definitely isn't a prison anymore, since the whole thing caved in.

Kanji 1717 / 2074

Level 52 / 60

Kanji 2 / 35

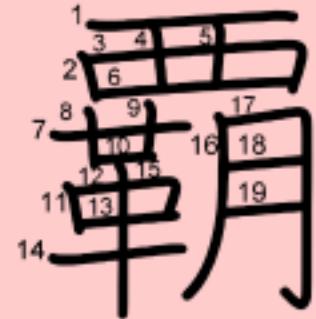

Pierce, Sushi Counter

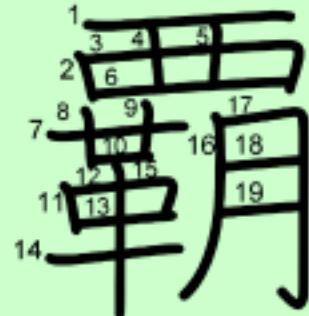

Under the window, you place a shellfish, then slam the window shut to pierce its tough shell. This is the best way to pierce a member of the shellfish family, I promise. This kanji also has a second meaning. That shellfish you pierced with the window is in two halves now. You can use those halves as plates for sushi. If you count the broken shells you'll know how much sushi you have. That makes them sushi counter s!

Kanji 1766 / 2074

Level 53 / 60

Kanji 16 / 35

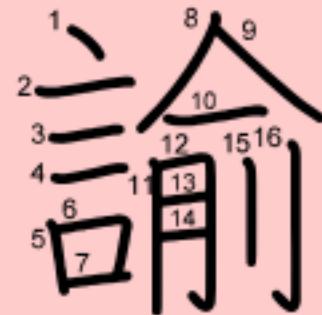

Fiber, Slender

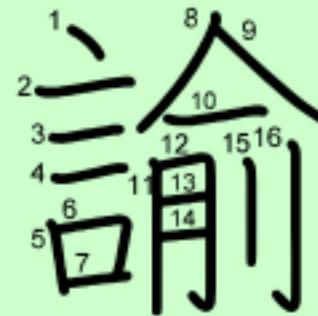

A drunkard crosses thread across special spikes to separate the fiber s. The best way to separate the fibers of thread is to get a drunkard to do it. If you're too precise it will just snap. You gotta be loose with it! Just flop them onto the spikes and the fibers will come apart by themselves!

Kanji 1767 / 2074

Level 53 / 60

Kanji 17 / 35

Admonish

If you try to say something to the Death Star, it would only admonish you. It was made to destroy planets, after all, so I don't know why you'd expect it to have anything nice to say. It just admonishes you about everything you've ever done wrong until you can't stop crying.

Kanji 1768 / 2074

Level 53 / 60

Kanji 18 / 35

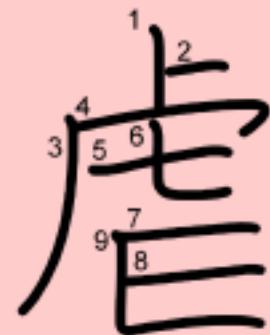

Disaster

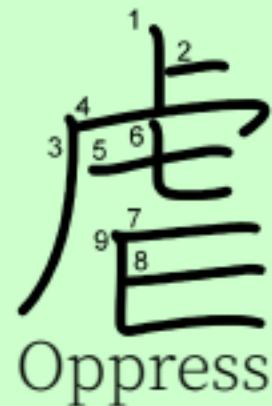

If you get a big hair stuck in your private soul it will be a disaster! Have you ever gotten a hair in your eye or your mouth that you just couldn't get out? You cough, your eyes water, it's awful! You can't focus on anything until it's gone. Now imagine if a big 'ol hair got stuck in your own private soul!!! Disaster!!!

Also

If you want to wear a top hat you also have to wear a suit to go with it. You can't just wear a top hat, that just doesn't look right. When you think top hat, think about what you also need with it.

Kanji 1811 / 2074

Level 54 / 60

Kanji 26 / 35

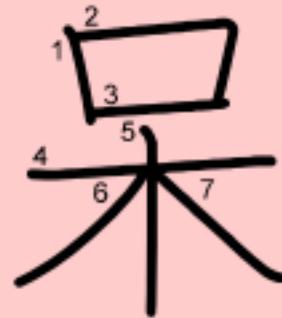

Stupid

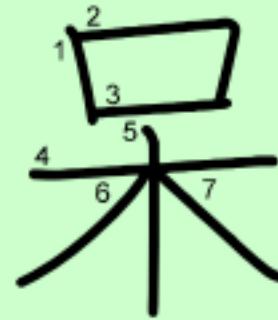

You're sick because you put an arrow in your mouth and tried to eat it. To be honest, that's just really stupid. You have to be stupid to try to eat an arrow. You deserve to be sick.

Kanji 1812 / 2074

Level 54 / 60

Kanji 27 / 35

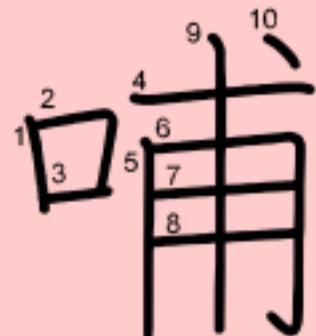

Shock

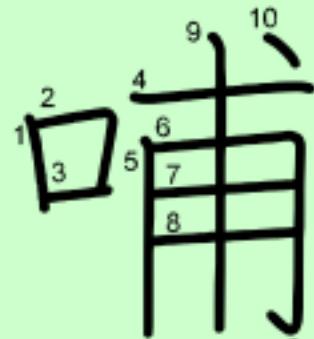

You see a mouth coming out of the top of a tree so you go into shock. Your brain just can't comprehend what's in front of you.

Kanji 28 / 35

Nurse, Suckle

After your wedding you have a baby and it uses its mouth to nurse from your post-marriage boobs. Yes, babies nurse from breasts. Get over it, kids.

Proud

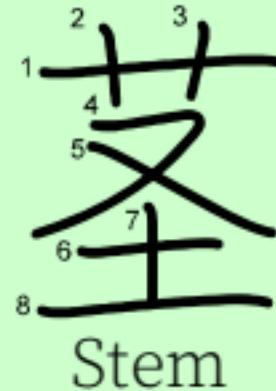

Your leader managed to find the right direction home using marks in the dirt in the middle of winter. This makes you so proud! You're proud because this resourceful leader is YOUR resourceful leader.

When you leave flowers on a tombstone they look good at first, but after a few days or some harsh weather, there's nothing left but stem s. That's why you have to replace flowers on tombstones all the time. If you don't it will look like you only left the stems there, and that's pretty disrespectful.

Kanji 33 / 35

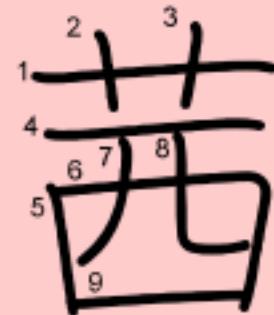

Apricot

What does a tree make that you'd want to put in your mouth? An apricot! Apricots are also about the size of an open mouth, so they kind of look like mouths hanging down under the trees. You can bite them right off the tree with your own mouth!

Kanji 34 / 35

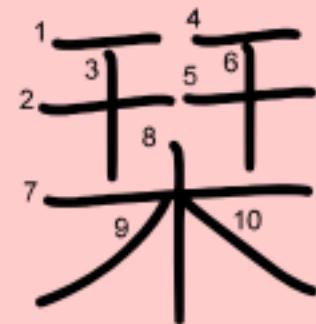

Red Dye

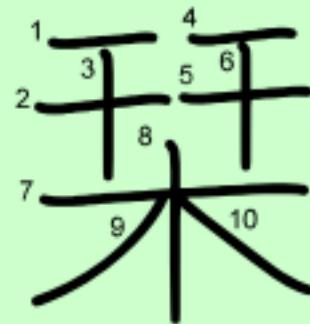

Flowers that grow in the west are colored by the sun setting so they turn bright red. That's why red flowers that grow in the west are used to make red dye. They're the closest to the actual color of the red sun, so they're prized by painters and other artists for their perfect color for dye.

Bookmark

Dry an already dry tree to create a bookmark. The more you dry the tree, the flatter it becomes, making it the perfect way to mark your spot in a book without needing to fold a page or write on it.

Bow, Lay

When you meet the leader dog you have to bow to show your respect. Dogs are pretty great, so the leader of all dogs must be the greatest! You should bow really deeply to this one.

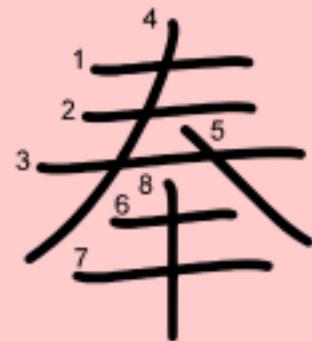

Tranquilize

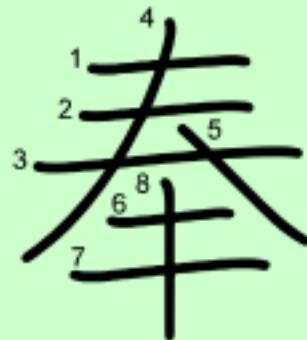

The reality of gold is that it has the power to tranquilize anyone who gets their hands on it. Gold may seem cool to have in movies and songs, but in reality, it has the power to mess you up!

Kanji 1823 / 2074

Level 55 / 60

Kanji 3 / 36

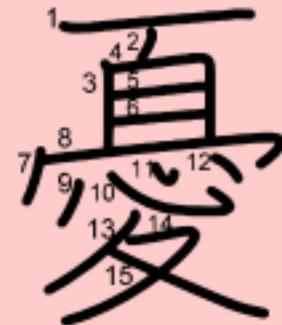

Dedicate

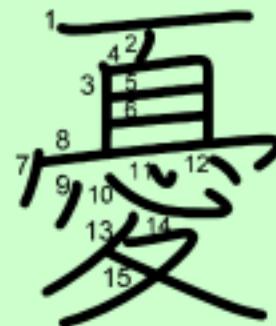

When **spring** is **dry** you need to **dedicate** your time and effort somewhere else. You can't plant flowers or vegetables, it's too dry. You can't play outside, your skin will flake. So you need to dedicate yourself to something inside.

Grief

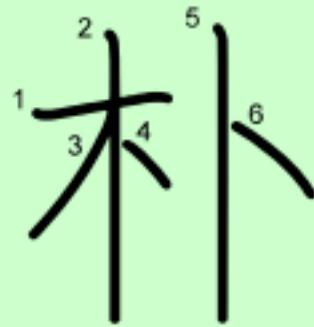

A hundred forehead s lower themselves to their heart s in winter in grief . There were once many of their kind, the forehead peoples, but now there are only a hundred left after this harsh winter took the rest of them. Their grief is immense.

Kanji 1825 / 2074

Level 55 / 60

Kanji 5 / 36

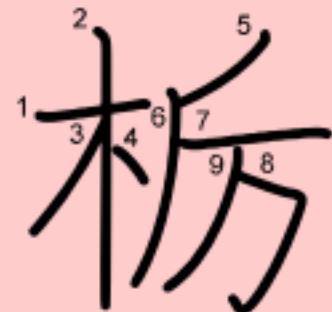

Simple, Crude

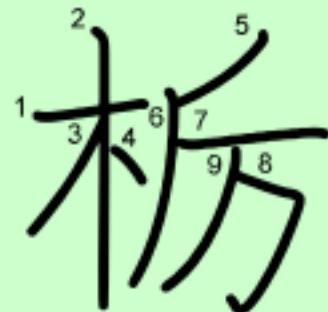

You decide to carve a tree into a giant replica of your big toe because you think it will be really simple. Once you're done though, it looks like a really crude attempt at a fat, lumpy blob. Maybe carving isn't as simple as you thought.

Kanji 1826 / 2074

Level 55 / 60

悔
Remorse, Regret

The only feeling a dead soul will have is remorse. Remorse for the people it left behind.

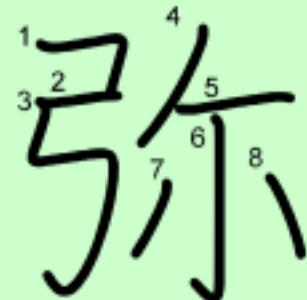

Regret s for the things it did and didn't do.

Kanji 1841 / 2074

Level 55 / 60

Kanji 21 / 36

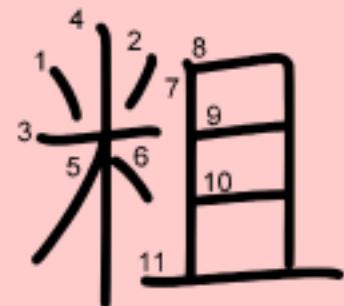

Increasing

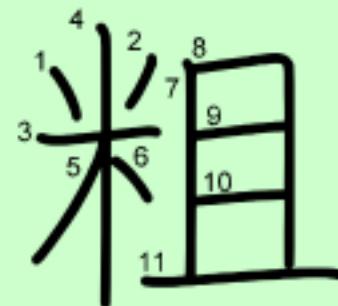

Go from a bow to a small gun and you're increasing in fire power! Even though the gun is small, it's still a step up from a bow.

Kanji 1842 / 2074

Level 55 / 60

Kanji 22 / 36

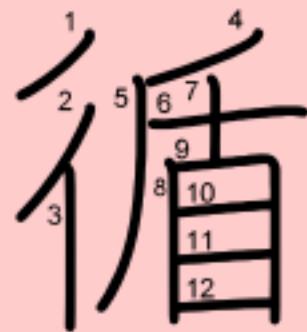

Coarse, Rough

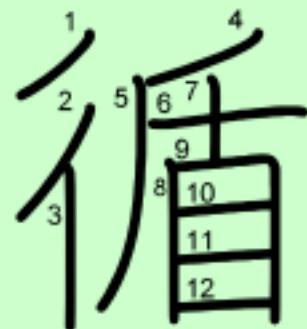

If you find some rice in a top hat it's going to be really coarse and rough. Probably because it's not the kind that's meant to be eaten.

Kanji 1843 / 2074

Level 55 / 60

Kanji 23 / 36

Circulation, Sequential

If you want to loiter on a cliff with the pope you better be ready to move in perfect circulation with him. The pope is wearing really heavy robes and it's hot up here on this cliff, so you both need to walk in circles to keep cool.

Kanji 1844 / 2074

Level 55 / 60

Kanji 24 / 36

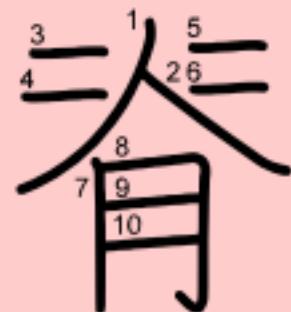

Congeal, Freeze, Absorbed In

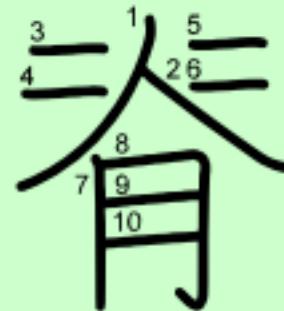

If you try to turn something into ice while having doubts, it will just congeal instead. It will freeze, but it will get kinda yucky too. Your doubts will affect the ice-making process, so try not to be so worried and unsure next time you want normal ice.

Kanji 1845 / 2074

Level 55 / 60

Kanji 25 / 36

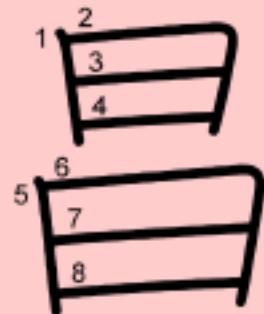

Stature, Height

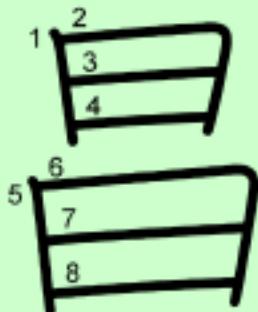

If you put two two pound weights on a person on the moon they'll increase in stature when they come back down. Everything is lighter on the moon so the person won't even feel the weights. Then when they come back to earth they'll have grown a whole two inches taller!

Kanji 1846 / 2074

Level 55 / 60

Kanji 26 / 36

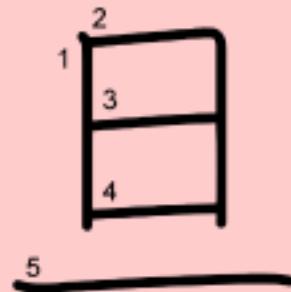

Prosperous, Prosperity

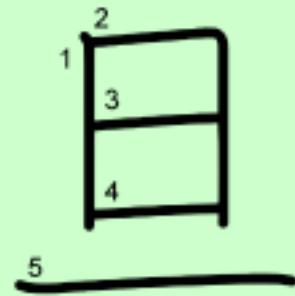

The sun is the reason why crops grow and people can get out of bed in the morning. But on planets with two suns, they can get even more done and it makes them way more prosperous than us. They work all day, then as the first sun sets, the second one rises and they get a new burst of energy. The whole planet lives in a state of prosperity because of the two suns.

The soul of the Death Star is actually quite pleasant. And if you think about it, it's the people who control the Death Star that are evil and kill.

Kanji 1849 / 2074

Level 55 / 60

Kanji 29 / 36

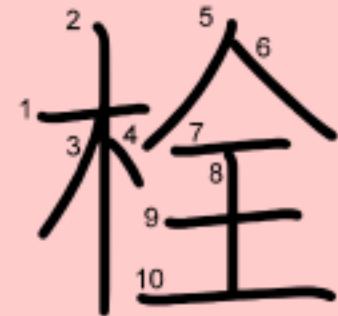

Erase

Put your fingers in a jet if you want to erase them from existence. You aren't just chopping or burning them off. There's like, no trace of them at all. Your parents can't even remember if you were born with fingers or not. Jets are that powerful.

Kanji 1850 / 2074

Level 55 / 60

Kanji 30 / 36

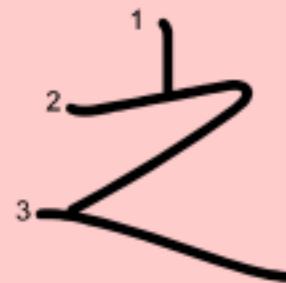

Cork, Plug

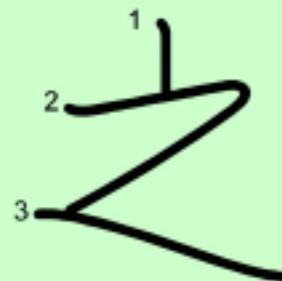

The king has a hat that's made from a tree but the more you look at it, the more it looks like it's just a big cork. It's a big, wooden plug that he's just placed on his head. It can hardly be called a hat.

Kanji 1851 / 2074

Sew

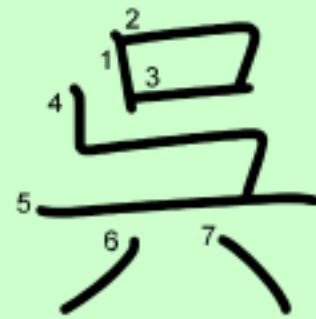

You take some **thread**, put your **scooter** up to a **signpost**, and **sew** them together. You don't have a lock, so sewing your scooter up to the signpost to keep it safe is all you can think of.

Kanji 1861 / 2074

Level 56 / 60

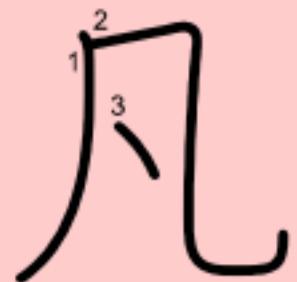

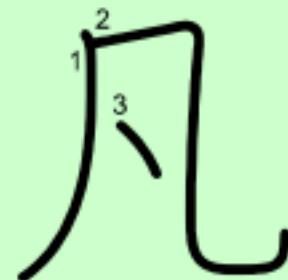

Kanji 6 / 35

Give

You've learned that you can catapult things to give them to other people! Don't catapult rocks at buildings and walls, catapult gifts to the people you love.

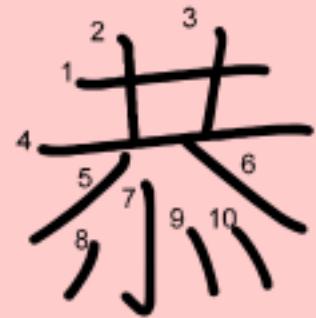

Mediocre

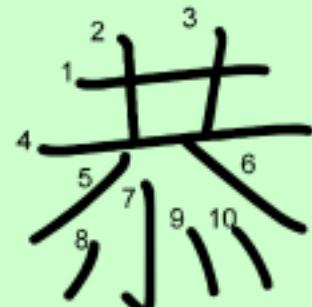

You go to buy a table but it looks it has water damage from drops of water hitting it. This makes it a pretty mediocre table. The water drops haven't really damaged it that much, it still stands and you can use it, but it's kinda ugly, so it's just mediocre.

Kanji 1863 / 2074

Level 56 / 60

Kanji 8 / 35

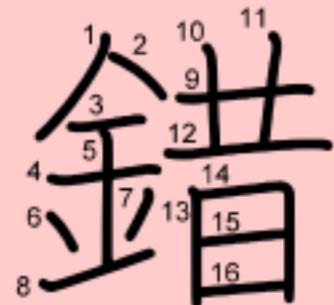

Respect

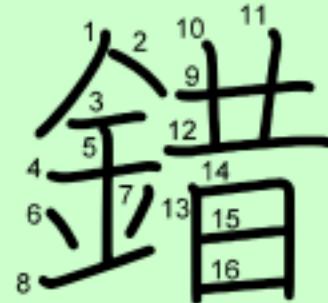

When small drops of water work together they gain respect for one another. If you end up working with someone long enough, and they end up being really great, you'll respect them too!

Scold

If you put your spoon in the sun while you're in prison, a mouth will appear to scold you. You can never see who the mouth belongs to, but considering you're in prison it's probably a guard. Either way, that person doesn't like what you're doing and they keep scolding you when you put your spoon out into the sun.

Daring

An **elf** who ventures outside in **winter** has a lot of **daring**. Elf ears are very, very delicate, and the winter cold can really mess them up. So if you see an elf adventuring in winter, know that that particular elf is a really daring dude.

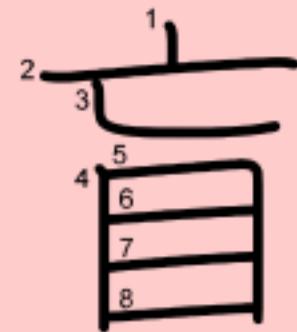

膜
Membrane

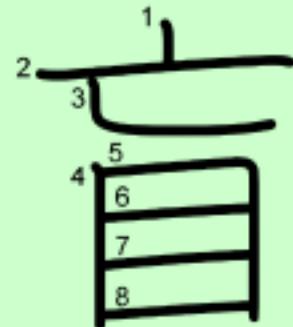

If you trap the moon in a greenhouse it will grow a creepy membrane around itself. The moon isn't used to the heat it would be exposed to in a greenhouse so that membrane is there to protect it. It's really gross looking though.

Humble, Discreet

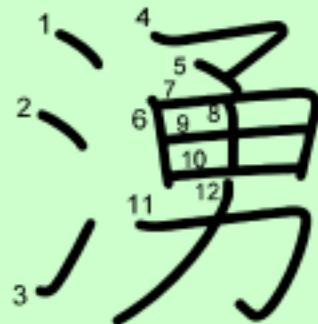

You say something to a boot when you want to be humble. You're down there because you're bowing in front of the person you're humbling yourself before. Because of that, your face is really close to their boots and you're speaking directly at them, instead of at the person's face, so it's more discreet.

Well, Boil

When you see a tsunami coming courage well s up inside you and you gain the power to save everyone you meet before they get washed away! Feel that courage boil and spread throughout all your limbs. You feel like you have super strength. This tsunami isn't going to hurt anyone while you're alive to stop it!

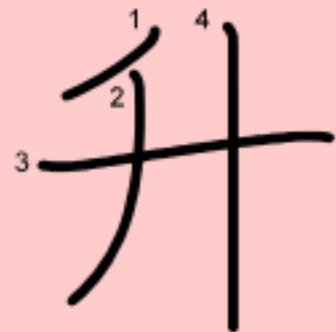

Ugly

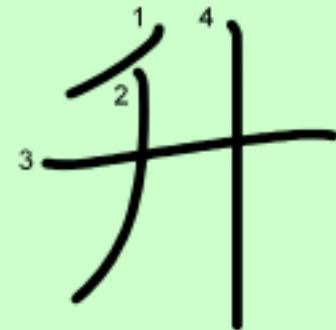

Give alcohol to a demon and you'll see how ugly it really is. Demons need to concentrate to keep their disguises going. Even if it looked pretty when you met it, like super handsome, give it a few drinks and its facade will slide off and reveal its super gross demon face.

Jetty, Pier

Carve a tree into a bar and lay it sticking out into the water to make a jetty or a pier. Now you can walk out on the jetty and go further into the water without needing a boat or getting wet.

Groom

Have you heard the tale of the woman who fell in love with a coat rack during a full moon and made him her groom? It's a true story! She even had a wedding ceremony and had more coat racks sitting in the grooms side. The moon will make people do craaaazy things.

Secrete

Tsunami's have a certain tendency to secrete things as they go back out to sea. When they bash themselves onto the land they just throw a bunch of sea water around, but there are only certain things that they'll secrete when they're leaving.

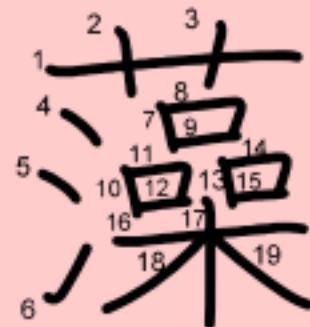

Gradually, Steadily

You're stuck in your car during a tsunami and all you have to break out is an axe. You whack and whack but you're only gradually making progress. You thought an axe would be an easy way to get out of a car but it's not working like you'd planned! You have to make more than gradual progress if you don't want to drown.
